Peter's treatment

"Just a few words to thank Clifton Dental for their professionalism, dedication, care and enthusiasm during my recent cosmetic dental treatment. I can now relax when I smile without the self-conscious feeling that I must not show my teeth. My new found confidence and enhanced self-esteem makes me smile at every opportunity. The process was made quick and simple by friendly staff and I would recommend them to anyone."

Wedding season

Leanna and Heather attended the 'Love actually' wedding fayre held at The Bristol Zoo on Sunday 7th June. It was a great day and the team got to speak with lots of brides and their wedding parties. We would like to thank everyone who came to speak to us including our existing patients who came down to show their support.

Photos are an important part of a wedding day and dreaded by some brides and their guests because of their smiles, but we can help. Whether it is straightening, hygiene treatment, whitening, veneers or facial rejuvenation, there are many possibilities to help you achieve the perfect smile.

We had an exclusive promotion at the wedding fayre that we would like to extend to you all to help you achieve that perfect smile for the big day.

Please call us on 0117 259 1910 or email cliftonsmls@hotmail.co.uk for further information.

Training update

Here at the studio we are very passionate about learning and keeping the team up-to-date.

This month started with a visit from our American friends, 'The Scheduling Institute'. The Scheduling Institute is a training company who focus on customer care and service to help us give our clients the best experience when visiting us.

Heather and Carrie Anne attended Europerio8 in London. Europerio is an annual conference organised by the European Federation of Periodontology, one of the largest organisations in Europe. The conference focuses on promoting oral health using the latest research and studies. It was a great opportunity for the hygiene team to update their knowledge and skills. Dentists,

periodontologists and hygienists from all around the world visited the four day conference.

The clinical team recently attended a day of training held by Professional Conferences. The purpose of this was to update the team on the latest developments in key areas such as medical emergencies, radiology protocols, ethics and health and safety.

Practice news

Congratulations to dental nurse Kristina and Kyle on the safe arrival of baby Mario on Saturday 11th July. The whole team are very proud of her and can't wait to meet her little bundle of joy.
